## MC1125

### MATERIALS
100% Massaua cotton

### GRAMMAGE
240 g/m²

### FEATURES
This work jacket, made from robust Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for demanding professional applications, ensuring breathability and a comfortable fit even during long workdays. Meticulous attention to detail in the finishes, such as reinforced bar tacks, ensures strength, robustness, and an extended lifespan. The 2 chest pockets make it functional and practical, allowing you to always have essential tools and items within easy reach during work. Triple stitching on the shoulder area, as well as the contrasting bar tacks, ensure enhanced mechanical strength and long-term durability, making the garment reliable even under intensive use conditions.
