

<b>Name: High-eff respirator FFP2NR carbon w/v</b>	<b>Code: FA1308</b>	<b>FA13 RESPIRATORY PROTECTION - DISPOSABLE FFP2 MASKS</b>
--	---------------------	--

### Description

Disposable respirator with exhalation valve.  
The integral seal on the entire inner edge provides insulation from the outside.  
The charcoal layer prevents irritation caused by low concentrations of gases and acids that can develop together with dust and aerosols.  
The large exhalation valve is used for heavy-duty work.  
The large cup surface area ensures excellent filtering capacity.  
The large adjustable elastic bands allow for very precise adhesion to the face. Latex free.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.

FFP2 NR D

FFP2:

Nominal Protection Factor: 12

Operational Protection Factor: 10

NR: disposable

D: The respirator has passed the dolomite clogging test.
