

Name: Premium respirator FFP3 NR D w/valve	Code: FA1445	FA14 RESPIRATORY PROTECTION - DISPOSABLE FFP3 MASKS
---	---------------------	--

Description

Disposable respirator with exhalation valve. Free of metal parts that could rust. Provides increased protection from fine and toxic dust due to the new filter surface that has passed the Dolomite Dust Clogging Test D, which certifies a higher level of protection as well as improved anti-clogging characteristics. Possibility of adjusting elastic bands. Integral gasket on the entire inner edge provides insulation from the outside. Latex free.

The product has been designed and manufactured to comply with Regulation(EU) 2016/425 and subsequent amendments.

FFP3 NR D

FFP3:

Nominal Protection Factor: 50

Operational Protection Factor: 30

NR:disposable

D: The respirator has passed the dolomite clogging test.
