TECHNICAL SHEET

EARMUFFS

STARK 15 earmuffs

FC1330

PERFORMANCE

SNR 32 dB.

Frequency in Hz: H Attenuation: 35 dB

Frequency in Hz: M Attenuation: 29 dB

Frequency in Hz: L Attenuation: 22 dB

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:63/18.7/4.4/14.3;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:125/18.7/3.3/15.4;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:250/22.3/3.4/18.9;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:500/31.5/2.8/28.7;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:1000/37.6/2.6/34.9;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:2000/37.2/2.7/34.5;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:4000/37.4/3.2/34.3;

Frequency (Hz)/Mean Attenuation/Standard Deviation/APV Value:8000/38.5/3.2/35.3;

DETAILS

• Helmet-mounted earmuffs with high-density insulating foam ensure effective noise attenuation, protecting hearing and reducing auditory fatigue during work;

• Metal-free, eliminating the risk of interference in sensitive environments and reducing overall weight, thereby improving comfort and safety;

• Suitable for environments with medium-to-high noise levels, it offers lightweight and practical protection, ideal for noisy settings without excessive bulk.

FEATURES

Helmet-mounted hearing protection earmuffs, designed to provide reliable protection in medium-to-high noise environments, ensuring comfort and convenience during use. The high-density insulating foam padding provides effective noise reduction, helping to prevent hearing fatigue. The metal-free design eliminates the risk of interference in sensitive environments and reduces the overall weight, enhancing wearing comfort. Thanks to its helmet attachment system, these earmuffs are ideal for those requiring integrated protection with other safety devices, without compromising freedom of movement or operational ease.

IMPORTANT

Compatible with helmets MD1223 - ABS 901, MD1224 - ABS 901 VENTILATED and MD1226 - NEW EVEREST.

SIZES

ONE SIZE

In stock
On production
Made to order
Tailor made

FIELDS OF USE

> Agriculture - gardening - forestry

> Food - cleaning - hospital

> Construction - road works

> Chemical-pharmaceutical industry

> Light industry

> Heavy industry

> Petrochemical industry

> Logistics

> Tertiary - trades

MAINTENANCE

Store in a cool and dry place and away from heat sources.
Store protected from impurities before use and between uses to avoid transferring these impurities into the ear canal.
Clean with a damp cloth.
Do not use solvents.

QUANTITY PER CARTON

20

CATEGORY

III -> This product is currently planned and produced to comply with Regulation (EU) 2016/425 and subsequent modifications.
