

Name: Lanyard with energy absorber	Code: FD14420018	FD14 FALL ARREST DEVICES - ENERGY ABSORBERS
---	-------------------------	--

Description

Energy absorber with 12 mm Kernmantel rope. Equipped with a slot and a standard karabiner.

Length 1.80 m.

Polyamide rope.
Polyester absorber.

Durability of the device: 10 years from the date of manufacture.

The energy absorber consists of 44 mm wide webbing, fully folded and encased in a plastic casing. In the event of a fall, the webbing inside the casing stretches automatically thereby reducing the impact force transmitted to the user.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.
