

Name: Forked lanyard with energy absorber	Code: FD14510020	FD14 FALL ARREST DEVICES - ENERGY ABSORBERS
--	-------------------------	--

Description

Y-shaped expandable elastic band with energy absorber, consisting of two Montblanc karabiners and a standard karabiner.
Minimum length 1.4 m and maximum length 2 m.

Durability of the device: 10 years from the date of manufacture.

The energy absorber consists of 44 mm wide webbing, fully folded and encased in a plastic casing. In the event of a fall, the webbing inside the casing stretches automatically thereby reducing the impact force transmitted to the user.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.
