

Name: ASAP mobile fall arrest device for rope	Code: FD2111	FD21 FALL ARREST DEVICES - PETZL
--	---------------------	---

Description

Asap mobile fall arrest device for rope.
The device moves freely along the rope and stops a fall, a slide or uncontrolled descent. It comes with the OK TL carabiner to be installed on the safety rope.

Weight: 370 g (295 g Asap and 75 g OK-TL).

The device works on vertical or angled rope and stops a fall, a slide or uncontrolled descent. Supplied with the OK TL automatic locking carabiner. Simple to use and efficient: it slides along the rope up and down without manual intervention, easy to install and remove at any point on the rope.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
