

<b>Name: ASAP'SORBER 20 cm energy absorber</b>	<b>Code: FD2112</b>	<b>FD21 FALL ARREST DEVICES - PETZL</b>
--	---------------------	---

### Description

Polyamide and polyester energy absorber. Designed to connect the ASAP mobile fall arrester to a harness.  
The ASAP'SORBER energy absorber is only used with a mobile ASAP or ASAP LOCK fall arrest device.

Allows the user to work away from the rope to protect them while working. Equipped with a tear webbing, located in a pouch that can be opened at the ends, the absorber is protected from abrasion, allowing periodic inspection. Designed for users weighing between 50 and 130 kg. Ends fitted with STRING to hold the connector in place and protect the webbing from abrasion.

Length 20 cm.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.
