

COATED TEXTILE GLOVES

SPANDEX glove

MA1416

GAUGE

13 G

MATERIALS

High Performance Polyester HPP

COATING

Polyurethane-coated fingertips.

FEATURES

Made from high-performance polyester knit (HPP), a material characterized by an extra-fine structure that provides good mechanical strength. The polyurethane coating on the fingers ensures a secure grip on dry, wet, or oily surfaces. They offer excellent grip and dexterity. Optimal comfort is achieved thanks to the complete absence of seams and high breathability. Suitable for use even with moderate exposure to oils and greases. Approved for food contact and handling.
