

COATED TEXTILE GLOVES SPANDEX GRIP glove MA1417

GAUGE

13 G

MATERIALS

High Performance Polyester HPP

COATING

Polyurethane

FEATURES

Made from high-performance polyester knit (HPP), a material characterized by an extra-fine structure that provides good mechanical strength. The polyurethane coating on the palm offers good abrasion resistance and provides a secure grip on dry, wet, or oily surfaces. They offer excellent grip and dexterity. Excellent comfort thanks to the complete absence of seams and high breathability. Suitable for use even in the moderate presence of oils and greases. Approved for food contact and handling.
