

NEW FOBIA

PARTNER ankle high shoe

MB1325

UPPER

Printed split leather, high-grade and wear-resistant.

CLOSING

Laces with reinforced eyelets.

LINING

DRY PLUS in tight-weave polyester designed to significantly reduce the overheating effect from prolonged use, keeping feet cool and dry.

TOECAP

Steel, offers high protection against impacts and compressions.

PUNCTURE-PROOF

Steel for effective protection against perforations.

FOOTBED

Made of polyurethane foam, lightweight with breathable properties, it is designed to provide excellent shock absorption, improving comfort during prolonged use.

SOLE

Low-profile two-component polyurethane (PU/PU) significantly contributes to reducing the overall weight of the footwear, increasing its flexibility and comfort. The flat tread profile provides stability and support both when walking and during stationary tasks. Furthermore, it makes the footwear particularly suitable for clean environments, smooth surfaces, and terrains with a low level of roughness.

FEATURES

METAL FREE Designed to meet the need for comfort and adaptability in multiple work environments, the NEW FOBIA feature a sporty design and lightness. Suitable for: light industry, logistics and goods handling, and the service sector.
