Name: SUPER DUAL LIFE LOW shoe	Code: MB1332Z9	MB13 FOOTWEAR - NEW FOBIA SERIES
---------------------------------------	-----------------------	---

Description

Low ESD footwear manufactured from GRS-certified recycled materials and equipped with a fibreglass toecap and PS-type composite midsole with constant thickness. METAL FREE. The upper, in recycled Air-Mesh fabric with waterproof treatment, guarantees breathability and maximum comfort. The special tread pattern of the PU/PU sole guarantees a highly draining effect in the presence of liquids. Non-slip SR grade.

The footbed, made of recycled polyurethane foam, is antistatic and has anti-shock properties guaranteeing constant and correct support and optimal comfort. The 3D-TEX lining made of recycled polyester allows ventilation of the foot and reduces sweating.

Main features:

- Lightweight and flexible thanks to the two-density broad-cell polyurethane and the reduced sole thickness.
- The flat tread pattern makes it suitable for smooth terrain with a low level of roughness.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 as amended.

Category II	Colours BLACK	Available Sizes In stock: 35 - 50
Quantity/Carton 10	EC Standards EN ISO 20345 EN 61340 Safety Class:S3S FO SR  	Important Information The footwear should be stored in a cool dry place, far from heat sources and direct light.
