

<b>Name: ARGON CLOG</b>	<b>Code: MB1412N0</b>	<b>MB14 OCCUPATIONAL FOOTWEAR</b>
-------------------------	-----------------------	-----------------------------------

#### Description

Monolithic polyurethane clog, washable in autoclave at FH 120°C/70 min. No Safety. SRC slip resistant.

#### Main features:

- Antistatic properties
- Energy absorption at the heel area
- Latex, chrome, nickel and halogen free.

The round form of the slightly elevated rear part ensures a comfortable and stable fit for the foot despite the absence of the back strap.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
