TECHNICAL SHEET

ALL TERRAIN

ANACONDA LOW shoe

MB1630Z9

UPPER
High-quality embossed full-grain leather with a scratch-resistant, highly wear-resistant texture. The SUPER BUMPER raised toe bumper, integrated with the midsole, offers extra protection for the leather against impacts and abrasions, ensuring greater durability.

CLOSING
Extra strong laces with plastic eyelets.

LINING
3D-TEX polyester with a honeycomb weave, ensures high breathability. Includes extra protection in the heel area.

TOECAP
Steel, offers high protection against impacts and compressions.

PUNCTURE-PROOF
Steel for effective protection against perforations.

FOOTBED
Polyurethane foam, offers optimal support in the heel area ensuring superior comfort. Ensures comfort even during prolonged use. Removable footbed.

SOLE
Two-component polyurethane (PU/PU), features serrated side lugs designed to maximize traction on uneven surfaces. The PU midsole, equipped with cushioning properties, allows for comfortable walking or standing on steep terrain, without feeling stones or rough spots. The deep tread, characterized by horizontal channels, offers excellent grip on both dry and slippery surfaces, while the arched profile facilitates a fluid and comfortable gait. The midfoot area is designed to increase grip on ladders, in accordance with LG (Ladder Grip) certification. The shock absorption system in the heel area helps reduce fatigue and improve comfort during use.

FEATURES
Designed to tackle challenges in multiple work environments, the ALL TERRAIN combine functionality and safety for a wide range of professional activities. Suitable for: heavy industry, construction, road construction, agriculture, gardening and forestry.

REMARKS
Given the current mixed stock, it is possible that this item will be delivered with the restyled version (as shown in photo) and former version.
