

TECHNICAL SHEET

ALL TERRAIN

ANACONDA CPS low shoe

MB1636Z9

UPPER

High-quality, embossed full-grain leather, highly wear-resistant, ensures better aesthetics over time. The SUPER BUMPER embossed toe cap, integrated with the midsole, offers extra protection for the leather against impacts and abrasions, ensuring greater durability.

CLOSING

Extra strong laces with plastic eyelets.

LINING

3D-TEX polyester with a honeycomb weave, ensures high breathability. Includes extra protection in the heel area.

TOECAP

Fiberglass, lightweight and non-magnetic, offers high protection against impacts and compressions, ensures good thermal insulation.

PUNCTURE-PROOF

PS type composite, non-magnetic, antistatic, and thermal insulating. It offers maximum performance in terms of puncture resistance, full sole protection, and maximum flexibility.

FOOTBED

Anatomical Air-mix, made of multi-perforated EVA, antistatic with shock-absorbing properties. The thickness varies from 3 mm at the front to 10 mm in the heel area. It ensures comfort even during prolonged use.

SOLE

Two-component polyurethane (PU/PU), features serrated side lugs designed to maximize traction on uneven surfaces. The PU midsole, equipped with cushioning properties, allows for comfortable walking or standing on steep terrain, without feeling stones or rough spots. The deep tread, characterized by horizontal channels, offers excellent grip on both dry and slippery surfaces, while the arched profile facilitates a fluid and comfortable gait. The midfoot area is designed to increase grip on ladders, in accordance with LG (Ladder Grip) certification. The shock absorption system in the heel area helps reduce fatigue and improve comfort during use.

FEATURES

ESD METAL FREE Designed to tackle challenges in multiple work environments, the ALL TERRAIN combine functionality and safety for a wide range of professional activities. Suitable for: heavy industry, construction, road construction, agriculture, gardening, and forestry.
