TECHNICAL SHEET

ALL TERRAIN

MALIBU low shoe

MB1654B0

UPPER
High-quality suede leather, soft to the touch and wear-resistant. The SUPER BUMPER embossed toe cap, integrated with the midsole, ensures extra durability of the leather by protecting it from impacts and abrasions.

CLOSING
Laces with extra strong textile eyelets.

LINING
3D-TEX polyester with a honeycomb weave, ensures high breathability. Includes extra protection in the heel area.

TOECAP
Steel, offers high protection against impacts and compressions.

PUNCTURE-PROOF
Steel for effective protection against perforations.

FOOTBED
Polyurethane foam, offers optimal support in the heel area ensuring superior comfort. Ensures comfort even during prolonged use. Removable footbed.

SOLE
Two-component polyurethane (PU/PU), features serrated side lugs designed to maximize traction on uneven surfaces. The PU midsole, equipped with cushioning properties, allows for comfortable walking or standing on steep terrain, without feeling stones or rough spots. The deep tread, characterized by horizontal channels, offers excellent grip on both dry and slippery surfaces, while the arched profile facilitates a fluid and comfortable gait. The midfoot area is designed to increase grip on ladders, in accordance with LG (Ladder Grip) certification. The shock absorption system in the heel area helps reduce fatigue and improve comfort during use.

FEATURES
Designed to tackle challenges in multiple work environments, the ALL TERRAIN combine functionality and safety for a wide range of professional activities. Suitable for: heavy industry, construction, road construction, agriculture, gardening and forestry.
