

OVERCAP

OVERCAP MAX SAFETY shoe

MB2113

UPPER

Oiled Crazy Horse leather, smooth to the touch, extremely resistant to wear and tear. The TPU toe cap offers extra protection for the leather from impacts and abrasions.

CLOSING

Eyelets with leather construction for greater durability

LINING

3D-TEX Polyester, with high wicking power thanks to the absorptive capacity of its fabric and structure.

TOECAP

Composite, for high impact protection while keeping the footwear lighter and thermally insulated.

PUNCTURE-PROOF

Composite, provides high protection against perforations while keeping the footwear light and flexible, improving comfort and freedom of movement.

FOOTBED

DUAL FRESH bi-component, variable thickness, with excellent shock resistance, prevents condensation.

SOLE

PU FORCE. Dual-density Polyurethane. High-density polyurethane tread. Anti-fatigue low-density polyurethane insole. Extra-large fit. SRC slip-resistant.

FEATURES

High-efficiency breathable lining, leather eyelets for increased durability, special scuff cap protection, sharp-edged lugs for improved grip on wet floors, and increased sole height, oil and hydrocarbon resistant tread, shock absorption system, increased wide fit suitable for any foot type.
