Name: PETROL BOOT	Code: MB2715Z9	MB27 FOOTWEAR - POLYURETHANE BOOTS
--------------------------	-----------------------	---

Description

Antistatic boot made of 100% PU. Equipped with composite toecap and puncture-resistant midsole. Polyurethane sole that allows excellent grip on wet surfaces, providing maximum lightness and comfort. The upper is made of polyurethane with PU-coated polyester lining, antistatic, resistant to hydrocarbons and animal fats. Polyurethane foam footbed. Equipped with TPU wear-resistant insert on tread.

Main features:

- Great flexibility
- Resistant to liquids and in particular acids
- Also suitable for cold environments (cold resistance test performed at -1 €XC).
- Soles with deep anti-slip treads

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendment
