

FOOTBEDS

OVERCAP BSF footbed

MB9829

DETAILS

The OVERCAP BSF insole consists of high-density polyurethane foam of variable thickness and perforations in the forefoot area. Ergonomic and antistatic, it features a 3D TEX polyester fabric lining that promotes foot breathability, reducing overheating and perspiration.

FEATURES

Insole made from high-density polyurethane foam with varying thickness and perforations in the forefoot area to promote ventilation. It is ergonomic and antistatic, designed to ensure comfort and safety. The 3D TEX polyester fabric lining improves foot breathability, reducing overheating and sweating, ideal for prolonged use in demanding work environments.
