TECHNICAL SHEET

SYMBOL SERIES

SYMBOL trousers

MC1111B4

MATERIALS
100% Massaua cotton

WEIGHT
270 g/m²

FEATURES
Work trousers made from robust Massaua fabric, offering high wear resistance and natural comfort thanks to their 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. The 5 pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. Reinforced seams ensure greater mechanical resistance and long-term durability, making the garment reliable even under intensive use conditions. Reinforcement bar tacks, applied at stress points in a contrasting color, increase the garment's strength and enhance its aesthetic finish.

DETAILS
- 2 side pockets, for quick and easy access to smaller items;
- Ruler pocket on the right leg;
- Technical pocket closed with flap and velcro with pen holder on the left, allows storing bulkier items without the risk of them falling out;
- Back pocket closed with button;
- Rear elastic waistband, allows maximum freedom of movement without restrictions;
- Triple stitching on the outer leg, to ensure greater resistance and durability;
- Stitching and bar tacks in contrasting color, to increase the garment's durability and improve its aesthetics.

CLOSING
Button and zip.
