TECHNICAL SHEET

SYMBOL SERIES

SYMBOL bib-trousers

MC1113Q7

MATERIALS
100% Massaua cotton

WEIGHT
270 g/m²

FEATURES
Work bib-trousers made from durable Massaua fabric, offering high wear resistance and natural comfort thanks to their 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Its five-pocket design makes it extremely functional and practical, allowing essential tools and items to always be within reach during work. The adjustable waist with buttons and the elastic waistband allow for freedom of movement and an ergonomic fit for the wearer during work activities. Reinforced seams ensure greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions. Reinforcement bar tacks, applied in high-stress areas in a contrasting color, increase the garment's resistance and enhance its aesthetic finish. The adjustable elastic shoulder straps with quick-release fasteners ensure a personalized fit, greater comfort during use, and quick application or removal, optimizing time and improving operational efficiency.

DETAILS
- Bib with two pockets, enlarged space for storing small everyday items;
- 2 front pockets with reinforced seams, ensuring quick and easy access to smaller items;
- Back pocket;
- Right-side ruler pocket;
- Adjustable waist with buttons;
- Additional protection on the lumbar area;
- Elasticated waist, allowing maximum freedom of movement without restrictions;
- Triple stitching on outer leg and bib, for increased strength and durability;
- Contrasting seams and bar tacks, to increase garment durability and enhance its appearance.

CLOSING
Elasticated adjustable straps with quick-release attachment.
