FEATURES

Multi-pocket work Bermuda shorts in stretch twill fabric with water repellent treatment, ideal for dynamic and daily use. The garment combines comfort, functionality, and technical style in a versatile and high-performance garment. Lightweight, durable, and designed to offer maximum freedom of movement, with water repellent and dirt-repellent treatment it protects the garment from light rain and stains, keeping it clean longer. The stretch fabric, in combination with the elastic side inserts at the waist, promotes the operator's freedom of movement, allowing for dynamic postures during work activities. The 5 pockets make it extremely functional and practical, allowing you to always have the essential tools and objects at hand during work. The reinforced seams and the reinforced crotch insert ensure greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions. The reinforcement bar tacks, applied in points subject to greater stress, increase the garment's resistance and enhance its aesthetic finish.
