

SYMBOL SERIES

SYMBOL jacket white

MC1134K1

MATERIALS

100% Massaua cotton

GRAMMAGE

260 g/m²

FEATURES

Work jacket made of robust sanforized Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. The particular attention to the finishes, such as reinforcement bartacks, ensure resistance, robustness, and prolonged durability over time. The stand-up collar, without points or protruding flaps, effectively protects the cervical area from external agents, while simultaneously reducing the risk of getting caught in machinery or equipment. The 3 pockets make it functional and practical, allowing essential tools and objects to always be within reach during work. The triple stitching on the shoulder area, as well as the bartacks, in a contrasting color, ensure greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions.

DETAILS

- Mandarin collar, effectively protects the cervical area from external elements;
- Internal chest pocket, for storing small valuables;
- Elasticated cuffs, ensure a snug fit at the wrist;
- Double interlocking seams, in areas most subject to stress and wear, to ensure greater strength and durability.

CLOSING

Five metal-detectable buttons covered by a flap.

AVAILABLE COLOURS

- K1 - White
