MATERIALS
100% cotton Massaua 2/1 sanforized.

WEIGHT
260 g/m²

FEATURES
Work coverall made of robust sanforized Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. The Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long working days. Its 3 pockets make it functional and practical, allowing you to always have essential tools and items at hand during work. The elasticated back waistband allows freedom of movement and an ergonomic fit for the operator during work activities. Double stitching ensures greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions.
