FEATURES

Work trousers made of cotton, offering a perfect balance between comfort and functionality. The natural fabric is breathable and soft on the skin, making it ideal for prolonged use. The trousers' design is engineered to ensure freedom of movement, while the fabric guarantees durability and reliability even after numerous washes. The five pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. The elasticated back allows for freedom of movement and an ergonomic fit for the wearer during work activities.
