TECHNICAL SHEET

TECH SERIES

TECH bermudas

MC1212Q7

MATERIALS
100% cotton Massaua 3/1 sanforized.

WEIGHT
270 g/m²

FEATURES
Work Bermuda shorts made from robust sanforized Massaua fabric, offer high wear resistance and natural comfort thanks to their 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Designed to offer comfort and practicality on warmer days, without sacrificing durability, they represent the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The 4 pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. The structure is reinforced with double interlocking seams on the outer leg, which ensure superior resistance to stress, while reinforcement bar tacks in the most critical points guarantee long-lasting durability even under intense working conditions.

DETAILS
- 2 side pockets, to ensure quick and easy access to smaller items;
- Back pocket closed with button;
- Technical pocket with flap and velcro closure, allows for storing bulkier items without the risk of them falling out.
