TECHNICAL SHEET

TECH SERIES

TECH short jacket

MC1215T4

MATERIALS
100% cotton Massaua 3/1 sanforized.

WEIGHT
270 g/m²

FEATURES
Work jacket made from robust sanforized Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Designed to offer comfort, practicality, and resistance in the most demanding activities, without sacrificing resistance, it represents the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The 3 pockets make it functional and practical, allowing essential tools and objects to always be within reach during work. The button-closed cuffs ensure a versatile yet stable fit. The structure is reinforced with double interlocked seams, which ensure greater robustness, and with reinforcement bar tacks in the most stressed points, ensuring superior durability even in the most demanding working conditions.

DETAILS
- 2 chest pockets with flap and button closure, for quick and easy access to small items;
- Button cuffs, for a versatile yet stable fit at the wrist;
- Double interlocking seams, for increased strength and durability;
- Bar tack reinforcements at points most exposed to wear and tear and stress.

CLOSING
Six buttons covered by a flap.
