TECHNICAL SHEET

TECH SERIES

TECH long coat

MC1218H5

MATERIALS
100% cotton Massaua 3/1 sanforized.

WEIGHT
270 g/m²

FEATURES
Work coat made from robust sanforized Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. The Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Designed to offer comfort, practicality, and resistance in the most demanding activities, without compromising on durability, it represents the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The 3 pockets make it functional and practical, allowing essential tools and items to always be within reach during work. The tone-on-tone stitching gives it a neat and refined appearance, while the reinforcement bar tacks in the most stressed points ensure greater robustness and durability over time.

DETAILS
- Two front pockets, to ensure quick and easy access to smaller items;
- Chest pocket;
- Tone-on-tone seams;
- Reinforcement bar tacks in areas most exposed to wear and stress.

CLOSING
Four buttons.
