

Name: SUMMER TECH short jacket	Code: MC131502	MC13 CLOTHING - SUMMER TECH
---------------------------------------	-----------------------	------------------------------------

Description

Short jacket in CVC 60% Cotton, 40% Polyester fabric, twill 3/1, weight 190 g/m.

Concealed six-button closure, chest pockets with flap and Velcro, cuffs fastened with button, reflex inserts on the bac, jointed double stitched seams.

Reinforcement bar tacks in contrasting colour

The breathability and lightness guaranteed by the CVC fabric make the Summer Tech ideal for the warmest months and its polyester percentage ensures improved mechanical resistance.

The finishing such as the reinforced runners and jointed triple seams in contrasting colour, assure long-lasting use and high quality.

Customization options: wide range of colours, numerous accessories available and various types of reflective bands.

Protection against risks of dirt and detrimental actions of slight damage.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
