TECHNICAL SHEET

EVOLUTION SERIES

EVOLUTION jacket

MC1414D5

MATERIALS

Evolution 65% polyester, 35% cotton.

WEIGHT

240 g/m²

FEATURES

The jacket is made from Evolution fabric, which ensures exceptional mechanical strength and boasts bright colors that withstand frequent washing. The inclusion of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical strength. The garment combines practicality and durability, making it perfect for work environments where reliability and functionality are essential. Its 3 pockets make it functional and practical, allowing essential tools and items to always be within reach during work. The construction features double interlocked seams, which ensure robustness and long-lasting durability, while reinforcement bar tacks at strategic points increase resistance to stress.

DETAILS

- 2 front pockets, to ensure quick and easy access to smaller items;
- Chest pocket;
- Double interlocked seams, for increased durability;
- Reinforcement bar tacks, in areas most exposed to wear and stress.

CLOSING

Four buttons.
