TECHNICAL SHEET

EVOLUTION SERIES

EVOLUTION man coat

MC1418Q7

MATERIALS
Evolution 65% polyester, 35% cotton.

WEIGHT
240 g/m²

FEATURES
Work coat made from Evolution fabric, which ensures exceptional mechanical strength and features bright colors that withstand frequent washing. The presence of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising durability and mechanical strength. The garment combines practicality and durability, making it perfect for work environments where reliability and functionality are essential. Its 3 pockets make it functional and practical, allowing you to always have essential tools and items within easy reach during work. Tone-on-tone stitching gives it a neat and professional appearance, while reinforcement bar tacks in strategic points ensure enhanced durability and longevity.

DETAILS
- 2 front pockets, to ensure quick and easy access to smaller items;
- Chest pocket;
- Matching stitching;
- Reinforcement bar tacks, at points most exposed to wear and stress.

CLOSING
Four buttons.
