TECHNICAL SHEET

FUSTIAN SERIES

FUSTIAN jacket

MC1614Q5

MATERIALS
100% sanforized fustian cotton

WEIGHT
330 g/m²

FEATURES
Work jacket made of fustian, a durable and comfortable fabric, characterized by a diagonal weave that ensures robustness and long-lasting durability. The Sanforized treatment reduces the risk of shrinkage after washing, ensuring dimensional stability. Thanks to its pure cotton composition, it offers breathability, natural comfort, and a pleasant feel, ideal for workwear requiring reliability and protection. Thanks to its excellent thermal properties, the Moleskin series ensures comfort even in colder months. The 2 pockets make it functional and practical, allowing the operator to always have essential tools and items at hand during work. The structure is reinforced with bar tacks and double-stitched interlocking seams, ensuring strength and durability even in the most demanding working conditions. Essential and functional design, conceived for those seeking reliability and comfort.

DETAILS
- 2 pockets and a chest pocket, to ensure quick and easy access to smaller items;
- Bar tacks, in areas most exposed to wear and stress;
- Double interlocked seams, for increased durability.

CLOSING
Four buttons.

AVAILABLE COLOURS
- B4 - MOUSEY GREY
