TECHNICAL SHEET

FUSTIAN SERIES

FUSTIAN coat

MC1630Q5

MATERIALS
100% sanforized fustian cotton

WEIGHT
330 g/m²

FEATURES
Work coat made of fustian cotton, a durable and comfortable fabric, characterized by a diagonal structure that ensures strength and long-term durability. The Sanforized treatment reduces the risk of shrinkage after washing, ensuring dimensional stability. Thanks to its pure cotton composition, it offers breathability, natural comfort and a pleasant feel to the touch, ideal for workwear that requires reliability and protection. Thanks to its excellent thermal properties, the Moleskin series ensures comfort even in the colder months. The 3 pockets make it functional and practical, allowing you to always have the essential tools and items at hand during work.

DETAILS
• 2 pockets and a chest pocket, to ensure quick and convenient access to smaller items;

CLOSING
Four buttons.
