FUSION trousers MASSAUA

MC1712BC

MATERIALS

Massaua 100% cotton.

GRAMMAGE

270 g/m²

FEATURES

Work trousers made from durable Massaua fabric, offering high wear resistance and natural comfort thanks to their 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for heavy-duty professional applications, ensuring breathability and a comfortable fit even during long workdays. Designed to provide comfort, practicality, and durability for the most demanding tasks, it is the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The meticulously crafted look and the contrasting color of the inserts make the Fusion series the evolution of workwear. The choice of fabric and colors gives the garments a strong personality. The 7 pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. On the right side, there is also a hammer loop, and complementing the multi-function technical pocket, pen and mobile phone holders. The enlarged belt loops ensure compatibility with robust belts and help distribute stress around the waist, while contrasting reinforcement bar tacks and interlocking double stitching guarantee strength and durability.
