FUSION SERIES

FUSION short jacket MASSAUA

MC1752QJ

MATERIALS
Massaua 100% cotton.

WEIGHT
270 g/m²

FEATURES
Work jacket made from robust Massaua fabric, offering high wear resistance and natural comfort thanks to its 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Designed to offer comfort, practicality, and durability in the most demanding activities, it represents the perfect choice for those seeking freedom of movement and reliability in a versatile work garment. The extremely refined appearance and contrasting color of the inserts make the Fusion series the evolution of workwear. The option to choose fabric and colors gives the garments a strong personality. Designed to offer protection and practicality, this jacket features a high windproof collar with a flap closed by a zipper and snap buttons, ideal for protection against the elements. Its 4 pockets, including two hand warmers, make it functional and practical, allowing essential tools and items to always be within reach during work. Adjustable cuffs with snap buttons ensure a secure fit, while piping on the chest and shoulders adds a touch of style. Contrast-colored bar tacks and interlocking double stitching ensure robustness and durability, even in the most demanding working conditions.
