

HARRISON SERIES

HARRISON bib-trousers

MC1813

MATERIALS

65% polyester, 35% cotton, Broken Twill 2/2.

GRAMMAGE

300 g/m²

FEATURES

Robust and functional, this work bib-trousers is made from broken twill polycotton fabric, which ensures durability and comfort. The presence of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The Harrison series features a comprehensive set of accessories such as multi-functional technical pockets, a mobile phone holder, a pen holder, tool attachment loops, and anti-wear reinforcements with Oxford fabric. Its 9 pockets make it extremely functional and practical, allowing essential tools and items to always be within reach during work. Among these, on the right side there is a double ruler pocket, a hammer loop on the left, and, complementing the multi-functional technical pocket, a pen holder and mobile phone holder, as well as a zip-fastened pocket made of impact-resistant fabric. The D-ring below the waistband offers practicality for tools. The adjustable and elasticated waistband with a tunnel system ensures comfort and adaptability. The bib-trousers are designed for kneepads and equipped with anti-wear heel protectors made of contrasting black Oxford polyester. The side openings with buttons and the elasticated back waistband ensure a comfortable and adjustable fit. The enlarged belt loops ensure compatibility with robust belts and help distribute stress around the waist, while the reinforcement bar tacks, high-resistance interlocking double seams, and contrasting inserts guarantee robustness, durability, and professional style.

DETAILS

- Bib pocket closed with flap and snap buttons, to ensure quick and convenient access to smaller items;
- 2 front pockets;
- 2 back pockets in wear-resistant fabric closed with flap and snap button, allow storing bulkier items, without the risk of them falling out;
