TECHNICAL SHEET

HARRISON SERIES

HARRISON jacket

MC1814V7

MATERIALS

65% polyester, 35% cotton, Broken Twill 2/2.

WEIGHT

300 g/m²

FEATURES

Robust and functional, this work jacket is made from broken twill polycotton fabric, which ensures durability and comfort. The presence of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The Harrison series features a rich array of accessories such as multi-function technical pockets, a mobile phone holder, pen holders, tool attachment loops, and anti-wear reinforcements with Oxford fabric. Its 4 pockets, two of which are hand-warmer pockets, make it extremely functional and practical, allowing essential tools and items to always be within reach during work. Among these, complementing the multi-function technical pocket, is a pen holder and a mobile phone holder secured with Velcro. The jacket is equipped with D-rings below the chest pockets, ideal for attaching tools and accessories. Pre-shaped sleeves ensure an ergonomic fit and freedom of movement, while adjustable cuffs with elastic knit inserts offer protection and comfort. The structure is reinforced with high-strength interlocking double stitching and reinforcement bar tacks, for superior durability even in intense working conditions. Contrast inserts in black add a touch of professional style.

DETAILS

- 2 handwarmer pockets, increase thermal comfort;
- Right multi-function pocket with pen holder and cell phone holder secured with velcro, to ensure quick and convenient access to smaller items;
- D-rings under the chest pockets;
- Left pocket closed with flap and snap button;
- Pre-shaped sleeves, for an ergonomic and practical fit;
- Adjustable cuffs with elasticated knit inserts, maintain a stable position and offer a personalized fit;
- High-strength interlocking double seams and reinforcement bar tacks, in areas most exposed to wear and stress, for greater durability and robustness;
- Contrast inserts in black.

CLOSING

Zip.
