

GEMINI SERIES

GEMINI camo trousers

MC2042

MATERIALS

Bi-stretch fabric 92% nylon, 8% spandex.
Cationic ripstop inserts made of 94% polyester and 6% spandex on knees.
Water repellent treatment.

GRAMMAGE

250 g/m²

FEATURES

Work trousers in camo fabric, bi-stretch, and cationic ripstop inserts, designed for those seeking style and performance. The garment combines a modern design with a highly functional structure. The bi-stretch fabric ensures comfort and freedom of movement, while the cationic ripstop inserts on the knees provide resistance and protection even in difficult conditions. The water-repellent treatment helps maintain a neat and clean appearance even after an entire work shift. The 7 pockets make them extremely functional and practical, allowing essential tools and objects to always be within reach during work. Among these, the ruler and tool pocket, reinforced with ripstop, is positioned on the right side for greater practicality. Knee pad pockets and an anti-wear cationic ripstop fabric heel reinforcement complete the design, along with front and back bi-stretch inserts for a dynamic fit, and double interlocking seams for superior durability. Reflective inserts on the thigh and back of the leg further increase the garment's visibility.

DETAILS

- 2 front pockets, with an additional small pocket on the right, closed by a contrast zipper, to ensure quick and easy access to smaller items;
- Technical pocket with retractable badge holder and a small pocket on the left, closed by a contrast zipper, allowing for storage of bulkier items;
- Ruler and tool pocket with ripstop reinforcements on the right;
- 2 back pockets;
- Knee pad pockets, compatible with KGUARD - MC4913 knee pads, and heel protectors in anti-wear cationic ripstop fabric, for increased durability and resistance;
- Front and back bi-stretch fabric inserts contribute to an ergonomic and comfortable fit;

- Double interlocked seams, to ensure greater strength and durability.

CLOSING

Zipper and button covered by Velcro.

REFLEX

Reflective inserts on thigh and back of leg.
