GEMINI short jacket

MC2043Z9

MATERIALS
Stretch canvas 60% cotton, 38% polyester, 2% elastane, with 4-way stretch inserts 93% nylon, 7% elastane.

WEIGHT
260 g/m²

FEATURES
This work jacket, made from stretch fabric with 4-way-stretch inserts, stands out for its high quality and extensive array of multi-function pockets, designed to meet the needs of the most demanding professionals. The stretch fabric ensures a comfortable fit and superior freedom of movement, ideal for tackling long workdays in total comfort. The presence of a high percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The high windproof collar protects against the elements, while the 4-way-stretch fabric back panel and the black forearm sleeve interior ensure freedom of movement and a modern look. Its 4 pockets make it functional and practical, allowing you to always have essential tools and items at hand during work. The gear loop on the right shoulder adds an additional attachment point for accessories or tools. The fit is adjustable thanks to the velcro waist adjusters at the hips and adjustable cuffs, for personalized comfort. Double interlocking seams ensure robustness and durability, even in intense working conditions. Reflective inserts on the chest and sleeves further increase the garment's visibility.
