

GEMINI SERIES

GEMINI GUARD ladies' trousers

MC2091Z9

MATERIALS

Ripstop Canvas stretch, 64% cotton, 34% polyester, 2% elastane, with 4-way stretch inserts 93% nylon, 7% elastane.

GRAMMAGE

Main fabric 260 g/m², inserts 255 g/m².

FEATURES

High-performance work pants, made of Ripstop canvas stretch fabric that guarantees excellent freedom of movement and prolonged comfort even during the most dynamic activities. Strategic 4-way stretch fabric inserts ensure increased lightness and flexibility. The design with contrast details enhances the garment's aesthetic and visually identifies the reinforced areas. The use of stretch fabric contributes to an ergonomic fit, reducing tension during movements and improving overall performance in high-stress work environments. The 7 pockets make it extremely functional and practical, allowing essential tools and objects to always be within reach during work. Reinforced seams ensure greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions. Reflective inserts on the thighs and back of the leg further increase the garment's visibility. Women's model.

REFLEX

Reflective inserts on thighs and back of the leg.

AVAILABLE COLOURS
