FEATURES
Jacquard knit work sweatshirt, with a practical and functional design, conceived to offer comfort and performance in a wide range of work situations. The breathable and soft-touch fabric, thanks to the particular jacquard texture, guarantees a pleasant sensation on the skin and good moisture management. The 2 pockets make it functional and practical, allowing you to always have indispensable tools and objects at hand during work. Lightweight but warm, it proves to be a versatile garment, both indoor and outdoor. Equipped with anti-pilling treatment, it maintains a neat and professional appearance over time, even after numerous washes.
