STRETCH trousers

MC2220B0

MATERIALS
98% Cotton twill, 2% spandex.

WEIGHT
260 g/m²

FEATURES
Work trousers made from stretch Twill fabric, a combination that ensures robustness, comfort, and elasticity to promote freedom of movement. The stretch fabric promotes the operator's freedom of movement, enabling dynamic postures during work activities. The 7 pockets make them extremely functional and practical, allowing essential tools and items to always be within reach during work. A pen holder with a snap button closure is integrated on the left leg. Contrast color inserts complete the look, giving the garment a modern and technical appearance, ideal for those seeking functionality and style at work.
