

WINTER KNITWEAR

ARROW sweatshirt

MC2565

MATERIALS

Jacquard knit fabric 60% cotton, 40% polyester; 100% polyester fleece; 100% cotton melange jersey.

GRAMMAGE

320 g/m²

FEATURES

Work hoodie made from jacquard fabric and polycotton, a combination that offers durability, comfort, and a structured look, ideal for daily use in professional environments. The presence of a high percentage of cotton helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The jacquard fabric provides a sophisticated texture, while cotton ensures softness and breathability. The windproof nylon hood, lined and adjustable with a drawstring, ensures protection from the elements and thermal comfort, making the hoodie suitable for outdoor use as well. The reflective inserts on the chest help to increase the garment's visibility. The 3 pockets make it functional and practical, allowing essential tools and items to always be within reach during work. The oversized cuffs with anti-pilling treatment offer a stable and durable fit, resisting wear and frequent washing.

DETAILS

- Lined Nylon windproof hood with drawstring, for increased thermal comfort;
- Two lower pockets with elasticated contrasting color trim;
- Chest pocket with contrasting color zipper, for storing small valuables without the risk of them falling out;
- Enlarged anti-pilling cuffs, for an ergonomic and stable fit and increased durability.

CLOSING

Contrasting color zip.

REFLEX

Reflective inserts on sleeves. Waist drawstring.
