TECHNICAL SHEET

FUNCTIONAL GARMENTS

VALERIA ladies' coat

MC2620N8

MATERIALS
20/24 fabric, 100% sanforized cotton.

WEIGHT
120 g/m²

FEATURES
Women's work coat, made from 20/24 twill, composed of 100% sanforized cotton, a fabric that guarantees durability, breathability, and dimensional stability even after numerous washes. The design features a shirt collar that gives a neat and professional appearance. The front closure is buttoned, while the cuffs are adjustable and button-fastened, ensuring a secure and practical fit. Equipped with two lower side pockets, perfect for storing tools and accessories, and a chest pocket, ideal for pens or small items. Contrast trim adds a touch of style, making the garment elegant while maintaining its functionality. A practical and durable garment, ideal for those working in professional environments where comfort and functionality are essential.
