TECHNICAL SHEET

FUNCTIONAL GARMENTS

ROBERTA coat

MC263402

MATERIALS

Terital cotton, 65% polyester and 35% sanforized cotton.

WEIGHT

140 g/m²

FEATURES

Women's work coat, with a classic design featuring a straight cut and front button closure, ideal for ensuring freedom of movement during daily activities. Made from Terital/Cotton fabric, it ensures wash resistance, ease of ironing, and a pleasant feel on the skin. The material is designed to maintain its shape over time, offering an always neat appearance. The presence of a percentage of cotton, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising its robustness and mechanical resistance. This fitted model features a hip-length, ideal for ensuring freedom of movement and a feminine fit. The design is enhanced by side vents, which provide comfort and dynamism, and by contrasting trim, for a modern and distinctive touch. It is equipped with two lower pockets, perfect for storing tools and accessories, and a chest pocket closed by a flap with a snap button, designed to safely store small items.
