TECHNICAL SHEET

FUNCTIONAL GARMENTS

FABIANA coat

MC263602

MATERIALS
Terital cotton, 65% polyester and 35% sanforized cotton.

WEIGHT
140 g/m²

FEATURES
Women's work coat, with a classic design featuring a straight cut and front button closure, ideal for ensuring freedom of movement during daily activities. Made from Terital/Cotton fabric, it ensures wash resistance, easy ironing, and a pleasant feel on the skin. The material is designed to maintain its shape over time, offering a consistently tidy appearance. The presence of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. Short model with an open mandarin collar, which provides an elegant and contemporary look. The design features rounded sides and side slits, designed to ensure freedom of movement and a comfortable fit. It has two lower pockets for storing tools and accessories, and two chest pockets, one of which is equipped with a pen holder, ideal for those who need organization during work. Contrast profiles add a distinctive touch, while the comfortable cut ensures practicality without sacrificing style.
