FUNCTIONAL GARMENTS

ALEX apron

MC2643Z9

MATERIALS
100% polyester.

WEIGHT
150 g/m²

FEATURES
Designed for practicality and protection, this work apron offers full coverage during activities. The button-adjustable neck allows for a simple and comfortable fit. The design is enhanced by three front pockets: one on the chest, ideal for small items like pens or notepads, and two lower, wider ones, practical for tools, instruments, or work accessories. Designed for professional environments, the apron combines functionality and durability, ensuring freedom of movement and long-lasting wear.

DETAILS
- Apron size 85x90 cm, for ample coverage during work;
- Adjustable neck strap with a button, for an ergonomic, comfortable, and tailored fit;
- 3 front pockets, one on the left chest and two on the sides, for quick access to everyday items.

CLOSING
Rear fabric strap
