

FUNCTIONAL GARMENTS

Ladies' coat TERITAL/COTton

MC2649

MATERIALS

65% polyester, 35% sanforized cotton.

GRAMMAGE

150 g/m²

FEATURES

Work coat, women's model, with a classic design featuring a straight cut and front button closure, ideal for ensuring freedom of movement during daily activities. Made from Terital/Cotton fabric, it ensures wash resistance, easy ironing, and a pleasant feel on the skin. The material is designed to maintain its shape over time, offering a consistently neat appearance. The presence of a percentage of cotton, combined with technical fibers, perfectly balances protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The garment features a shirt collar, which gives it a neat and classic look, and a front button closure for a secure fit. The design includes two large side pockets, perfect for storing tools and accessories, and a chest pocket with a pen holder, designed to ensure practicality during work activities. The back vent ensures freedom of movement, while elasticated cuffs offer comfort and protection, easily adapting to the wrist.
