TECHNICAL SHEET

FUNCTIONAL GARMENTS

BAR apron

MC2655Z9

MATERIALS
65% polyester, 35% cotton.

WEIGHT
195 g/m²

FEATURES
Polycotton barista apron, practical and functional, it is designed to ensure comfort and freedom of movement during service. Designed to cover the lower body in a barista style, it offers ideal coverage without restricting mobility. The presence of a percentage of cotton, combined with technical fibers, helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising robustness and mechanical resistance. The design includes a convenient central pocket, perfect for storing utensils, notepads, or other useful accessories, and a long waist tie that allows for simple and secure fit adjustment. Easy to maintain, the apron is washable at 40°C, ensuring hygiene and long-lasting durability.
