

HOSPITAL MODEL GARMENTS

NICOLETTA coat

MC2760

MATERIALS

100% cotton gabardine sanforized.

GRAMMAGE

190 g/m²

FEATURES

This work scrub top, made from gabardine fabric, combines durability, comfort, and style, making it ideal for daily professional use. The rounded collar provides a neat and soft appearance, while simultaneously ensuring freedom of movement in the neck area. The two large lower pockets offer all the necessary convenience for always having essential tools and items with you during work activities. The chest pocket, equipped with a pen holder, adds a touch of functionality, allowing small accessories to be organized neatly and quickly accessibly. The design is enhanced by white piping on the sleeves, pockets, and collar, which highlights the scrub top's silhouette and gives it a more professional and refined look. Perfect for those seeking a durable, easy-to-wear garment that maintains an impeccable appearance even after many hours of work.
